

IMPORTANT NOTICE

ALL transportation provided by Lions Gate **with the exception of emergent medical appointments** has been cancelled until further notice. This also includes trips to the food stores, banks, etc. **We are REQUESTING AND STRONGLY ADVISING all residents to remain in Lions Gate unless there is an emergent medical situation. The COVID-19 is an extremely serious threat to the senior population and goal is to not have any negative outcomes. We need all of you to cooperate. Residents should not be going out to grocery stores, banks, hair salons, restaurants, etc. at this point. These advisements and protocols are for the safety of all of us at Lions Gate. If you do go out for non-emergency reasons, you will be putting all of us at a greater risk. Thank you for your cooperation in this urgent situation.**

If anyone is interested in learning how to FaceTime with a family member so you can see them while speaking to them, please let Kim Clemons know.

For residents who typically rely on transportation to go to grocery stores, the following procedures have been put in place:

1. Call Mike Cruz, Transportation Center at 609-330-8984 and he will take your order for ShopRite and will be delivered to you.
2. For residents who typically do not rely on Lions Gate transportation, please continue handling grocery shopping the way you have been. We don't have the resources to accommodate more than the average of 10 residents who consistently use Lions Gate transportation for grocery shopping.
3. If you want to handle ordering on your own from ShopRite or any other store that delivers, there are two computers in the Library for your use.
4. Family members are still able to drop off packages, food, etc. to you at the Concierge Desk and packages will be delivered to you.

If you have any questions, please contact Kim Clemons at 856-679-2384 or kclemons@lionsgateccrc.org or Cristina Palella at 856-679-2208 or cpalella@lionsgateccrc.org. Thank you for your cooperation and understanding.

Thank you for your understanding and patience with this situation.
