

LIONS GATE

Lifestyle. Care. Community. Tradition.

June 16, 2020

Dear Lions Gate Assisted Living Community Members,

We understand and empathize that the continued protocols for sheltering in place are difficult for our residents and family members. Although our staff continue to do Facetime visits for residents and families, it is not the same as seeing your loved one in person. Effective today, we will be scheduling “Window Visits” for residents and family visits. There will be a dedicated window space in which families sit by the window and speak with their loved one. There will be a 20-minute time limit for window visits.

As of today, the NJ Department of Health has not lifted any restrictions regarding sheltering in place or visitation. Our Therapy and Activities staff continue to walk residents outside, weather permitting, and Activities staff continue to conduct visits with residents daily. As soon as we receive notification from the NJ DOH, we will let you know.

If you are interested in scheduling a “Window Visit”, please contact Cookie Pedersen at 856-679-2205 or cpedersen@lionsgateccrc.org or Julie Schaffer at 856-679-2393 or jschaffer@lionsgateccrc.org.

If you have any questions, please contact me at 856-679-2210 or slove@lionsgateccrc.org.

Respectfully,

Susan Love, M.S., LNHA
Chief Executive Officer
