*Some of these results are “presumptive positive” and retesting will be conducted.

Instead of reporting “recovery” as we have been, we will be reporting “discontinuing isolation”, which will be confirmed by two consecutive negative tests for residents in assisted living and skilled nursing.

The residents will move from the cohort unit back to their original room/apartment after their second negative test. Residents who have not had two negative tests yet will continue to be treated in the cohort unit. When we receive additional test results, we will send out an updated email.

Please remember to follow the CDC/NJ Department of Health guidelines regarding handwashing, social distancing, and wearing your mask.

We thank you for your continued cooperation and support and appreciate your partnership during these challenging times. If you have any questions, please call the HOTLINE at 856-679-4679 or Email @ lgadministrator@lionsgateccrc.org. All messages will be responded to within 24 hours.

Respectfully,
Susan Love, M.S., LNHA
