As per our protocol, all residents in skilled nursing and assisted living, as well as all staff will be tested every two weeks, starting with resident testing today and employee testing on Monday. Results will be updated and communicated once all are received.

The residents will move from the cohort unit back to their original room/apartment after their second negative test and clearance from their attending physician. Residents who have not had two negative tests yet will continue to be treated in the cohort unit.

Please remember to follow the CDC/NJ Department of Health guidelines regarding handwashing, social distancing, and wearing your mask.

We thank you for your continued cooperation and support and appreciate your partnership during these challenging times. If you have any questions, please call the HOTLINE at 856-679-4679 or Email @ lgadministrator@lionsgateccrc.org. All messages will be responded to within 24 hours.

Respectfully,

Susan Love, M.S., LNHA
