

June 12, 2020

Dear Lions Gate Community Members,

We hope you are all doing well and staying safe!

During the past month, we have seen a significant decline in the number of new COVID-19 cases, as well as a significant increase in the number of residents who are recovered.

This week we were informed of one (1) new case in skilled nursing, which was most likely acquired when the resident was in the hospital for an extended period of time. Another resident has not yet “discontinued isolation.” As per our protocol, any residents who are COVID-19 positive, are removed to a cohort unit until isolation protocols are discontinued.

At the end of last week through the beginning of this week, we continued to test residents and employees (every two weeks) and the results we have received to date are below:

Skilled Nursing - # of COVID-19 positive residents = 2

- All other skilled nursing residents are recovered

Assisted Living - # of COVID-19 positive residents = 0

- All assisted living residents are recovered

Independent Living - # of COVID-19 positive residents = 0

- The one resident is recovered

Employees - # of COVID-19 positive = 6

- All other COVID-19 positive employees are recovered.

Inspiring Wellness!

Please remember to follow the CDC/NJ Department of Health guidelines regarding handwashing, social distancing, and wearing your mask.

As soon as we are informed from the NJ Department of Health regarding easing of restrictions, we will let you know.

We thank you for your continued cooperation and support and appreciate your partnership during these challenging times. If you have any questions, please call the HOTLINE at 856-679-4679 or Email @ lgadministrator@lionsgateccrc.org. All messages will be responded to within 24 hours.

Respectfully,
Susan Love, M.S., LNHA
Chief Executive Officer
