

LIONS GATE

Lifestyle. Care. Community. Tradition.

November 9, 2020

Dear Lions Gate Community Members,

As of today, we received a positive test result for a resident in assisted living, which is considered a facility acquired positive since the resident was not out at the hospital or Lions Gate. The resident is asymptomatic but has been moved to the COVID positive cohort unit in skilled nursing until resolved. Below are the updated statistics:

- Current # COVID positive on the COVID unit today 2
 - Of these, COVID positive before admission 1
- Cumulative total COVID positive 4
 - Of these, COVID positive before admission 3
- Current # COVID positive employees 0
- Cumulative total COVID positive employees 10/1 – 11/9 4
- Cumulative total # of residents who passed away 0
- Cumulative total # of employees who passed away 0

All residents in assisted living, skilled nursing and rehab will be tested weekly for the next two weeks. In addition, all employees will continue to be tested weekly.

Once we have a definitive date for being able to open for indoor visitation in skilled nursing and assisted living, we will let you know as it gets closer to the date.
