

LIONS GATE

Lifestyle. Care. Community. Tradition.

November 15, 2020

Dear Lions Gate Community Members,

Today, we received a positive test result for one resident and one employee in assisted living. The resident has been moved to the COVID positive cohort unit in skilled nursing until resolved. Below are the updated statistics from October 1 through today:

- Current # COVID positive on the cohort unit today 6
 - Residents from Independent Living 0
 - Residents from Assisted Living 3
 - Residents from Skilled Nursing 0
 - Residents from outside Lions Gate 3

- Cumulative total COVID positive 6
 - COVID positive before admission 3

- Current # COVID positive employees 1
- Cumulative total COVID positive employees 10/1 – 11/15 8

- Cumulative total # of residents who passed away 0
- Cumulative total # of employees who passed away 0

Inspiring Wellness!

All residents in assisted living, skilled nursing and rehab will be tested weekly for the next two weeks. In addition, all employees will continue to be tested weekly.

Effective immediately, the following protocols will be in effect for residents in assisted living and skilled nursing:

- Due to the recent positive COVID-19 results, outdoor visitation in assisted living and skilled nursing is postponed, and indoor visitation will not begin for at least two weeks. As we approach the date to begin indoor visitation, we will let you know. Facetime “visits” will continue in lieu of outdoor visits.
- Any residents in assisted living and skilled nursing who leave the community, whether for a doctor’s appointment, hospital visit or hospital stay, or go any other place, will need to quarantine for 14 days upon return. Therefore, we recommend that residents don’t leave except for emergency medical appointments only.
- With the Thanksgiving holiday is approaching, we are urging all residents throughout Lions Gate to not leave the community. If any residents leave, whether for the day or overnight, they will need to quarantine for 14 days.
- As the number of COVID-19 positive cases continues to increase in NJ, we are urging all residents in Independent Living to not leave the community unless it is a medical necessity, and upon return, you should quarantine for 14 days.

We recognize new cases of COVID-19 are concerning and we share your concern. Therefore, we are urging everyone to take the utmost precautions with social distancing, wear a mask at all times, and do not leave the community.

We will continue to provide you with updates as they become available. Please know that we are strictly adhering to and following all infection control protocols and guidance from the CMS, CDC and the NJ Department of Health.

Inspiring Wellness!

We thank you for your continued cooperation and support and appreciate your partnership during these challenging times.

If you have any questions, please call the COVID Hotline at 856-679-4679 or email at lgadministrator@lionsgateccrc.org

Be Well and Be Safe!

Respectfully,

Susan Love, M.S., LNHA
