**Important Vaccine Information:** The residents of our Skilled Nursing and Assisted Living areas will be eligible to receive the COVID vaccination here at Lions Gate. Vaccinations are being provided by the government, through our pharmacy provider Omnicare/CVS. They will be assigning us dates that they will be here to vaccinate, and we need to be ready. As soon as we have the consent forms, we will be mailing them out to you, if you are your loved one's representative (for families with more than one representative, the form will be mailed to the first named person). It is imperative that you mail the completed form back ASAP if you would like your loved one to receive the vaccine. Information about the vaccine will be provided in the envelope with the consent form.

We will continue to provide you with updates as they become available. Please know that we are strictly adhering to and following all infection control protocols and guidance from the CMS, CDC and the NJ Department of Health.

We thank you for your continued cooperation and support and appreciate your partnership during these challenging times.

If you have any questions, please call the COVID Hotline at 856-679-4679 or email at [lgadministrator@lionsgateccrc.org](mailto:lgadministrator@lionsgateccrc.org)

Be Well and Be Safe!
