**Important Vaccine Information:**

- We will be sending an email with a link to the CVS consent form for resident COVID vaccinations.
- This form will be sent to all those noted as the "Medical POA", "Emergency Contact #1" or other primary contact.
- We realize that some residents are able to consent for themselves, but in order to get the forms out ASAP, we are sending them out to all families in our database. If your resident is able to consent to the vaccine themselves, simply do not complete the consent form.
- It is important to complete these forms ASAP, as the vaccine program is giving very short notice of their first visit.
- Please send any questions you may have about this process to [lgadministrator@lionsgateccrc.org](mailto:lgadministrator@lionsgateccrc.org)

We will continue to provide you with updates as they become available. Please know that we are strictly adhering to and following all infection control protocols and guidance from the CMS, CDC and the NJ Department of Health.

We thank you for your continued cooperation and support and appreciate your partnership during these challenging times.

If you have any questions, please call the COVID Hotline at 856-679-4679 or email at [lgadministrator@lionsgateccrc.org](mailto:lgadministrator@lionsgateccrc.org)

Be Well and Be Safe!

Respectfully,
