IMPORTANT VACCINE INFORMATION:

- We received the date for our first COVID vaccine clinic - SUNDAY, JANUARY 10.
- It is imperative that you ensure that we have a consent form on file for your loved one prior to that date. CVS is also requiring photocopies of BOTH SIDES of the insurance cards, so if you are contacted for that, please respond ASAP. If this information is not on file by 1/10/21, your loved one will not be able to receive the vaccine.
- If you are the medical POA or emergency contact person for your loved one at Lions Gate, you should have received an email with a consent form for the vaccination. If you did not, please email Kim Barclay at kbarclay@lionsgateccrc.org or call her at 856-667-2200 to request a form.
- If you want to verify that your loved one can sign the consent for himself/herself, please also contact Kim via the info above.
- This is a 2-vaccine series; the consent and insurance will not be needed for the second dose.
- We have not yet received our dates for our second visit.
- Any general questions about the vaccine or this process should be sent to lgadministrator@lionsgateccrc.org

We will continue to provide you with updates as they become available. Please know that we are strictly adhering to and following all infection control protocols and guidance from the CMS, CDC and the NJ Department of Health.

We thank you for your continued cooperation and support and appreciate your partnership during these challenging times.

If you have any questions, please call the COVID Hotline at 856-679-4679 or email at lgadministrator@lionsgateccrc.org
