IMPORTANT VACCINE INFORMATION:

CVS, our vaccine pharmacy provider, has informed us that the independent living (IL) residents will NOT be provided the COVID-19 vaccine through the CDC distribution program. This means that IL residents will NOT receive the vaccine when our employees, skilled nursing and assisted living receive the vaccine on 1/10/21.

We are working with a local pharmacy to formulate a plan to provide for an onsite vaccination for our IL residents. Once the details of this plan are available, we will provide them to you.

We will continue to provide you with updates as they become available. Please know that we are strictly adhering to and following all infection control protocols and guidance from the CMS, CDC and the NJ Department of Health.

We thank you for your continued cooperation and support and appreciate your partnership during these challenging times.

If you have any questions, please call the COVID Hotline at 856-679-4679 or email at lgadministrator@lionsgateccrc.org

Be Well and Be Safe!

Respectfully,
