## **COVID-19 VACCINE:**

Thank you all for your efforts in completing the consent forms and for providing the documentation needed for the COVID-19 vaccine! We believe we have everyone's documents and are looking forward to having our independent living residents begin the vaccine process on 1/31/2021!

## **PRECAUTIONS**

We continue to be diligent with following all infection control protocols and enforcing social distancing and mask wearing. In addition, we continue to in-service staff on a regular basis on proper hand-washing techniques, proper mask wearing, and social distancing. On a daily basis, we continue to sanitize and disinfect apartment doorbells, doorknobs, handrails, etc. in the A and B buildings.

We will continue to provide you with updates as they become available. Please know that we are strictly adhering to and following all infection control protocols and guidance from the CMS, CDC and the NJ Department of Health.

We thank you for your continued cooperation and support and appreciate your partnership during these challenging times.
