

March 30, 2021

Dear Lions Gate Community Members,

As communicated last week, Lions Gate has returned to what the NJ Department of Health considers outbreak status. This was the result of having two or more employees test positive for COVID-19 in a 14 day period.

Lions Gate continues to follow local, State and Federal guidelines and recommendations for limiting/preventing the spread of COVID-19 within the facility. These guidelines include routine testing of asymptomatic residents, asymptomatic staff, and visitors. The rules about “who” and “how often” people are tested change based upon the level of infections in our region as well as the level of infection in our own facility.

The return to outbreak status affected our ability to allow indoor visitation.

No additional COVID-19 cases were revealed in our resident testing completed last week, therefore we were able to resume indoor visitation on the following units:

Skilled 2	Monday, March 29 <sup>th</sup>
Assisted Living 1	Monday, March 29 <sup>th</sup>
Assisted Living 2	Monday, March 29 <sup>th</sup>
Safe Haven	Monday, March 29 <sup>th</sup>

The following unit will be delayed, due to this being the unit on which the COVID-19 was identified:

Skilled 1	Thursday, April 8 <sup>th</sup>
