DINING

We continue to develop the plan for opening the dining room. We anticipate the dining room to open in mid to late April. More details will be forthcoming as the much anticipated date arrives.

PROGRAMMING

Many have asked about what types of activities we are or will be providing. We have been and will continue to increase the number of events held in Commons Hall. These events are set up with proper social distancing, hand sanitizing and masks required. Individuals are required to make reservations in order to attend. In addition to the in person events, we continue to provide various movies and exercise videos on our internal television station (Channel 1970).

This week we had the following in Commons Hall:

- 3/1 Music Appreciate with Michael Ludwig
Current Events hosted by Jeanette Axelrod
- 3/2 Expedition: Russia with Professor Judy Okun
Travel and Photography with Pat Worley
- 3/3 How did we get here – Steve Pollack
- 3/4 Movie – Woman in Gold
- 3/5 Rabbi Grossman's weekly class

PRECAUTIONS

If you have an aide (or any visitor) please remember to wear a mask at all times and insist that the aide (or visitor) wear a mask when inside your apartment.

We continue to be diligent with following infection control protocols and enforcing social distancing and mask wearing. In addition, we continue to in-service staff on a regular basis on proper hand-washing techniques, proper mask wearing, and social distancing. On a daily basis, we sanitize and disinfect apartment doorbells, doorknobs, handrails, etc. throughout independent living.

We will continue to provide you with updates as they become available. Please know that we are strictly adhering to and following infection control protocols and guidance from the CMS, CDC and the NJ Department of Health.
