

April 1, 2021

Dear Lions Gate Community Members,

As communicated last week, Lions Gate has returned to what the NJ Department of Health considers outbreak status. This was the result of having two or more employees test positive for COVID-19 in a 14 day period.

Unfortunately, we have had additional employees test positive for COVID-19 this week. As a result, we are required to suspend indoor visitation for all units. The resumption of indoor visitation will be dependent upon the results of additional resident COVID-19 testing. At this time our anticipated resumption of indoor visitation dates are as follows:

| | |
|-------------------|----------------------------------|
| Skilled 1 | Friday, April 9 th |
| Skilled 2 | Wednesday, April 7 th |
| Assisted Living 1 | Wednesday, April 7 th |
| Assisted Living 2 | Wednesday, April 7 th |
| Safe Haven | Friday, April 16 th |

Lions Gate continues to follow local, State and Federal guidelines and recommendations for limiting/preventing the spread of COVID-19 within the facility. These guidelines include routine testing of asymptomatic residents, asymptomatic staff, and visitors. The rules about “who” and “how often” people are tested change based upon the level of infections in our region as well as the level of infection in our own facility.
