

April 6, 2021

Dear Lions Gate Community Members,

As previously communicated, Lions Gate remains in what the NJ Department of Health considers outbreak status. This was the result of having two or more employees test positive for COVID-19 in a 14 day period.

We continue to provide our employees with education on the vaccines and have held four vaccination clinics and will hold more in the coming weeks.

At the direction of the NJ Department of Health, we are currently testing every employee two times per week regardless of whether they have symptoms or not. Our employees, vendors, guests are screened upon entry into the facility. We continue to provide employees and residents with proper PPE and have sufficient supply to continue to do so. We sanitize surfaces often throughout the day and have an outside company sanitize common areas of the skilled nursing and assisted living units 7 nights a week. We continue to be vigilant in our efforts to mitigate the spread of COVID in the building.

At this time our anticipated resumption of indoor visitation dates are as follows:

Skilled 1	Friday, April 9 th
Skilled 2	Wednesday, April 7 th
Assisted Living 1	Wednesday, April 7 th
Assisted Living 2	Wednesday, April 7 th
Safe Haven	Friday, April 16 th

Lions Gate continues to follow local, State and Federal guidelines and recommendations for limiting/preventing the spread of COVID-19 within the facility. These guidelines include routine testing of all residents, staff, and visitors. The rules about “who” and “how often” people are tested change based upon the level of infections in our region as well as the level of infection in our own facility.
