

April 13, 2021

Dear Lions Gate Community Members,

As previously communicated, Lions Gate remains in what the NJ Department of Health considers outbreak status. This was the result of having two or more employees test positive for COVID-19 in a 14 day period. Lions Gate is currently scheduled to be out of outbreak status on April 27th. This is dependent upon no resident or employee testing positive prior to this date. End of outbreak status will return the facility to phase 2 which allows for the dining rooms to reopen and small group activities to occur.

Visitation Scheduling Clarification

The Lions Gate visitation schedule runs Monday to Sunday. Please remember to schedule by Friday at 4pm of each week for the FOLLOWING week.

Example: If you schedule on Friday, April 23rd, you are scheduling for the week of Monday April 26th – Sunday, May 2nd. Some folks are getting confused and think they are scheduling for the current week; please remember you are always scheduling for the next Monday-Sunday week.

At this time our anticipated resumption of indoor visitation dates are as follows:

Skilled 1	Currently Open
Skilled 2	Currently Open
Rehab 1	Currently Open
Assisted Living 1	Currently Open
Assisted Living 2	Currently Open
Safe Haven	Friday, April 16 th

At the direction of the NJ Department of Health, we are currently testing every employee two times per week regardless of whether they have symptoms or not. Our employees, vendors, guests are screened upon entry into the facility. We continue to provide employees and residents with proper PPE and have sufficient supply to continue to do so.

We sanitize surfaces often throughout the day and have an outside company sanitize common areas of the skilled nursing and assisted living units 7 nights a week. We continue to be vigilant in our efforts to mitigate the spread of COVID in the building.
