

April 6, 2021

Dear Lions Gate Community Members,

Hello and we hope you are all doing well!

It is very important for us to remind you that the NJ COVID-19 Activity Level Index (CALI) remains High for our region. You should remain vigilant and we encourage you to wear a mask, wash/sanitize your hands and practice social distancing.

Our employees, vendors, guests are screened upon entry into the facility. We continue to provide employees and residents with proper PPE and have sufficient supply to continue to do so. We sanitize surfaces often throughout the day and have an outside company sanitize common areas of the independent living units 2 nights a week. We continue to be vigilant in our efforts to mitigate the spread of COVID in the building.

## **DINING**

We continue to develop the plan of opening the dining room. We anticipate the dining room to reopen on April 19<sup>th</sup>.

We will continue to provide details as the much anticipated reopening date arrives.

## **PRECAUTIONS**

If you have an aide please remember to wear a mask at all times and insist that the aide (or visitor) wear a mask when inside your apartment.
