Dear Lions Gate Community Members,

Hello and we hope you are all doing well!

We continue to monitor NJ COVID-19 Activity Level Index (CALI). The CALI has moved to “Moderate” for our region as well as the remainder of the state of New Jersey. Please do not let your guard down. You should remain vigilant and we encourage you to wear a mask, wash/sanitize your hands and practice social distancing.

DINING

As you know the dining room is open! Due to NJ Department of Health directives we are limited on seating. We have two seating available – 4:30p and 6:00p. We are currently able to seat at 50% capacity. In order to comply with this directive we are not able to accommodate everyone at the 6pm seating. If you are scheduled for a 4:30 seating, you are able to arrive as late as 5pm for dinner. This will allow enough time for you to enjoy your dinner and should not impact the 6pm seating time. When the directive allows for additional seating capacity, we will be able to accommodate additional residents at the 6pm seating.

PRECAUTIONS

If you have an aide please remember to wear a mask at all times and insist that the aide (or visitor) wear a mask when inside your apartment.

VISITATION GUIDELINES

1. All visitors, regardless of vaccination status, must enter through the front door by the concierge desk to be screened.
2. When visiting, please sanitize your hands, wear a mask at all times, and go directly to and from the apartment you are visiting.

3. We require proof of vaccination or proof of a negative COVID test result within 5 days of you visit or we will test visitors here between 8:30a and 4p (guests under 18 cannot be tested onsite). We use a Binax nasal swab COVID test onsite, and the process takes approximately 15 minutes to receive a result.
4. Guests under the age of 18 years may now visit, however we are not able to test individuals under the age of 18 onsite. Any visitors under the age of 18 must arrive with proof of vaccination or a negative test result taken within the last 5 days.
5. We request that only 2 adults and 2 children visitors be in an apartment at a time.
6. Persons who test positive will not be permitted to visit and must leave the premises immediately.
