Dear Lions Gate Community Members,

Hello and we hope you are all doing well!

Effective 8/14/2020, Lions Gate has returned to what the NJ Department of Health considers outbreak status. As a result of the outbreak status, we are testing vaccinated employees weekly and unvaccinated employees two times weekly.

We have been notified that an employee tested positive. This requires us to pause visitation.

Visitation will be scheduled to resume on or about the dates below and is dependent on no additional positive test results being received.

Skilled 1	Thursday September 2 nd
Skilled 2	Thursday September 2 nd
Rehab 1	Thursday September 2 nd
Rehab 2	Wednesday September 8 th
Assisted Living 2	Thursday September 2 nd
Safe Haven	Thursday September 2 nd

We will send a follow up letter to inform you of any change in the resumption of indoor visitation dates.

Lions Gate continues to follow local, State and Federal guidelines and recommendations for limiting/preventing the spread of COVID-19 within the facility. These guidelines include routine testing of asymptomatic residents, asymptomatic staff, and visitors. The rules about “who” and “how often” people are tested change based upon the level of infections in our region as well as the level of infection in our own facility.

Inspiring Wellness!

We have been and will continue to screen all of our employees, vendors, guests upon entry into the facility. We continue to provide employees and residents with proper PPE and have sufficient supply to continue to do so.

We sanitize surfaces often throughout the day and have an outside company sanitize common areas of the skilled nursing and assisted living units overnight. Please know we have remained vigilant in our efforts to mitigate the spread of COVID in the building.
