

August 6, 2021

Dear Lions Gate Community Members,

Hello and we hope you are all doing well! No changes to the letter this week, you will notice some additional items in bold as a reminder for these items.

We continue to monitor NJ COVID-19 Activity Level Index (CALI). The CALI has moved to “Low” for our region, but remains at “Moderate” for the state of New Jersey as a whole. Please do not let your guard down. You should remain vigilant and we encourage you to wear a mask, wash/sanitize your hands and practice social distancing.

DINING

Guests are not permitted to eat in the dining room or bistro. Guests are permitted to order food from either venue, but must consume the food in your apartment or outside.

The dining room is now operating at full capacity. All seating is open seating and will be based on a 1st come 1st served basis. Seating begins at 4:30pm and ends at 6pm. We ask that you limit table time to 90 minutes.

PRECAUTIONS

If you have an aide please remember to wear a mask at all times. Please insist that the aide (or unvaccinated visitor) wear a mask when inside your apartment.

PRIVATE AIDES

Fully vaccinated private aides are permitted to enter through the IL entrance to be screened, they no longer need to enter through the employee entrance. If a fully vaccinated private aide exhibits signs of COVID, they will be required to submit to a COVID

test before being permitted to enter the community. Proof of vaccination is required. Aides are encouraged to provide a copy of their vaccination card to be kept on file at the concierge desk or they will be required to provide proof of vaccination each time they enter the community.

There are no changes in the process for unvaccinated private aides regarding screening or testing. Unvaccinated aides must continue to enter through the employee entrance to be screened and continue to be tested on their current scheduled days.

VISITATION GUIDELINES

1. All visitors, regardless of vaccination status, must enter through the front door by the concierge desk to be screened.
2. **When visiting, please sanitize your hands, wear a mask at all times, and go directly to and from the apartment you are visiting.**
3. We require proof of vaccination or proof of a negative COVID test result within 5 days of you visit or we will test visitors here between 8:30a and 4p (guests under 18 cannot be tested onsite). We use a Binax nasal swab COVID test onsite, and the process takes approximately 15 minutes to receive a result.
4. Guests under the age of 18 years may now visit, however we are not able test individuals under the age of 18 onsite. Any unvaccinated visitors under the age of 18 must arrive with proof of vaccination status or a negative test result taken within the last 5 days.
5. Persons who test positive or are exhibiting signs of COVID will not be permitted to visit and must leave the premises immediately.
