Dear Lions Gate Community Members,

Chag Sukkot Sameach!

Effective 8/14/2021, Lions Gate returned to what the NJ Department of Health considers outbreak status. As a result of the outbreak status, we are testing vaccinated employees weekly and unvaccinated employees two times weekly. All residents are being tested in accordance to the NJ DOH regulations.

**This morning, we were notified that two vaccinated staff members have tested positive for COVID. This requires us to continue to pause visitation for the Healthcare Center. This includes Skilled Nursing 1 and 2, Rehabilitation 1 and 2, Assisted Living 1 and 2, and Safe Haven.**

**Outdoor and Indoor visitation** is scheduled to resume on or about the dates below and is dependent upon no additional positive test results being received.

Skilled Nursing 1	October 5
Assisted Living 1	October 5
Assisted Living 2	October 5
Safe Haven	October 5

**Outdoor Visitation** is scheduled to resume on or about the dates below and is dependent upon no additional positive test results being received.

Skilled Nursing 2	October 5

Since the NJ DOH requires that outdoor visits must be monitored by a staff member, we ask that you schedule your visits via the website. All visits are weather permitting. We will issue updates for both Indoor and Outdoor visits next week.

Please understand we cannot allow visitation outside of/or in addition to the times listed on the schedule. Our responsibility is to be able to allow all residents a chance to visit their loved ones. We have previously and are again today providing the visitation scheduling instructions which is on our website.

*The outdoor visitation and reservation guidelines are as follows:*

1. Please only request one outdoor visitation during this time as we are trying to accommodate everyone.
2. A maximum of 2 visitors will be permitted per scheduled outdoor visit.
3. Your outdoor visit is NOT CONFIRMED until you receive a confirmation email from the Visitation Coordinator. Please note: the automatic reply stating that your reservation has been submitted is NOT the confirmation.
4. Phone calls regarding visitation will not be accepted; email [visitation@lionsgateccrc.org](mailto:visitation@lionsgateccrc.org) if you have questions or other issues.
5. Please note that a late arrival could result in a cancelled reservation.
6. Visitors will be screened upon arrival, we are not requesting that visitors be COVID tested for outdoor visits.
7. Visitors must leave promptly at the end of the scheduled visit.

8. When visiting, you must sanitize your hands, wear a mask at all times, and go directly to and from the visitation area.
9. Visitors are required to remain in their designated visitation area or will be asked to leave. If you have a need to enter the building, you must enter through the front entrance to be screened.
10. Visitors needing a rest room must use the one near the Assisted Living elevator lobby only.

*Below you will find instructions for reserving your date and time for visits.*

1. Reservations must be made on the website.

5. Complete the Visitation Registration Form. Note: Only available dates and times will display. Please ensure that you are choosing the visitation calendar for your loved ones’ living area – there is a separate calendar for each living area.
6. You will receive an auto reply stating the request was submitted, this is NOT a confirmation that the request has been scheduled.
7. After the request is received the visitation scheduler will review the schedule and either approve or deny the requested time slot – you will receive an email from the scheduler confirming your scheduled visit.

Lions Gate continues to follow local, State and Federal guidelines and recommendations for limiting/preventing the spread of COVID-19 within the facility. These guidelines include routine testing of asymptomatic residents, asymptomatic staff, and visitors.

The rules about “who” and “how often” people are tested change based upon the level of infections in our region as well as the level of infection in our own facility.

We have been and will continue to screen all of our employees, vendors, guests upon entry into the facility. We continue to provide employees and residents with proper PPE and have sufficient supply to continue to do so.

We sanitize surfaces often throughout the day and have an outside company sanitize common areas of the skilled nursing and assisted living units overnight. Please know we have remained vigilant in our efforts to mitigate the spread of COVID in the building.
