

October 24, 2023

Dear Lions Gate Community Members:

At this time, masks are **not** required to be worn by residents and visitors in the common areas of Assisted Living, Skilled Nursing and Rehab. Masks are also **not** required to be worn staff. Unvaccinated staff are still required to mask in common areas of the **Community**. We continue to follow all CDC and NJ DOH recommendations and guidelines. We continue to monitor NJ COVID-19 Activity Level Index (CALI). The CALI is currently “low” for our region.

Visitors/Guests may continue to visit with Residents in common areas of the Independent Living are of the Community as long as the County’s transmission rate is low to moderate. In addition, visitors/guests are permitted to attend resident programming as long as space permits.

The Bistro is open to Independent Living residents and their guests for breakfast and lunch, Monday-Friday. Residents and guests from Skilled Nursing and Assisted Living **are still not** permitted in the Bistro at this time due to the COVID outbreak. We will inform you when this becomes an available again.

We will be offering the monovalent vaccine when it is made available. We anticipate this occurring in the upcoming weeks. The monovalent booster will be made available to all Lions Gate residents and staff members. The pharmacist is available to come to Lions Gate as needed to administer the vaccine. If you are interested in receiving the monovalent booster, please contact the Wellness Nurse, Dawn Rush at 856-679-2285 or drush@lionsgateccrc.org
