Dear Lions Gate Community Members:

We hope you had a nice Chanukkah!

We were just informed that 1 dining staff member has tested positive for COVID-19. The Skilled Nursing and Rehab areas remain in outbreak status at this time. Masks **are** required to be worn by residents and visitors in Skilled Nursing and Rehab. In addition, guests **are not** permitted to attend programming in Skilled Nursing and Rehab at this time. We continue to follow all CDC and NJ DOH recommendations and guidelines. We continue to monitor NJ COVID-19 Activity Level Index (CALI). The CALI is currently “low” for our region.

Visitors/Guests may continue to visit with Residents in common areas of the Independent Living of the Community as long as the County’s transmission rate is low to moderate. In addition, visitors/guests are permitted to attend resident programming as long as space permits.

The Bistro is open to Independent Living residents and their guests for breakfast and lunch, Monday-Friday. Residents and guests Skilled Nursing and Rehab **are not permitted** to visit the Bistro at this time.

The monovalent booster is now available to all Lions Gate residents and staff members. The pharmacist is available to come to Lions Gate as needed to administer the vaccine. If you are interested in receiving the monovalent booster, please contact the Wellness Nurse, Dawn Rush at 856-679-2285 or drush@lionsgateccrc.org
