Dear Lions Gate Community Members:

Shabbat Shalom!

We were informed that 1 Independent Living Resident, 1 Assisted Living Resident and 1 Rehab Staff Member have tested positive for COVID-19. As a result, it is strongly recommended that masks be worn in Independent Living by residents and guests. Independent Living Staff members are required to wear masks. In addition, masks are required to be worn in Assisted Living by residents, guests and staff members. Masks **are not** required to be worn by residents, visitors and staff members in Skilled Nursing and Rehab. Guests **are not** permitted to attend programming in Independent Living, Assisted Living, Skilled Nursing and Rehab at this time. We continue to follow all CDC and NJ DOH recommendations and guidelines. We continue to monitor NJ COVID-19 Activity Level Index (CALI). **The CALI is currently “high” for our region.**

Due to the “high” CALI score, visitors/guests **may not** visit with Residents in common areas of the Independent Living of the Community. In addition, visitors/guests are **not permitted** to attend resident programming at this time.

The Bistro is open to Independent Living residents for breakfast and lunch, Monday-Friday. Independent Living guests or residents/guests of Skilled Nursing and Rehab **are not permitted to visit the Bistro at this time.**

The monovalent booster is now available to all Lions Gate residents and staff members. The pharmacist is available to come to Lions Gate as needed to administer the vaccine. If you are interested in receiving the monovalent booster, please contact the Wellness Nurse, Dawn Rush at 856-679-2285 or drush@lionsgateccrc.org
