

June 17, 2024

Dear Lions Gate Community Members:

We hope you had a nice Father's Day!

We just learned that 1 Skilled Nursing Resident has tested positive for COVID 19. At this time, masks are not required to be worn by residents, guests, or staff members.

***Please remember, we are continually attempting to reduce the risk of exposure to our residents, their guests and our staff members.***

***If you know you have been exposed to an individual with COVID, please do not visit the community.***

***If you are visiting a resident who has COVID please wear a mask when you enter and exit the community (you are considered exposed). Please do not visit any other resident or area of the Community – you were exposed and could be carrying the virus.***

Guests and Residents of Independent Living, Assisted Living, Skilled Nursing and Rehab **are** permitted to attend programming and visit the bistro. We continue to follow all CDC and NJ DOH recommendations and guidelines. We continue to monitor NJ COVID-19 Activity Level Index (CALI). **The CALI is currently "low" for our region.**

The updated COVID booster is now available to all Lions Gate residents and staff members. The pharmacist is available to come to Lions Gate as needed to administer the vaccine. If you are interested in receiving the monovalent booster, please contact the Wellness Nurse, Dawn Rush at 856-679-2285 or [drush@lionsgateccrc.org](mailto:drush@lionsgateccrc.org)
