

LIONS GATE

Lifestyle. Care. Community. Tradition.

March 11, 2025

Dear Lions Gate Community Members:

Chag Purim Sameach!

We just learned that 1 Administrative Staff Member, 1 Independent Living Resident, 1 Skilled 1 Resident, 5 Assisted Living 1/Safe Haven Residents, and 7 Assisted Living 2 Residents have tested positive for COVID-19. As a result of the number of positive cases, Assisted Living now in Outbreak Status. Masks are required to be worn by Residents, Visitors and Staff Members while in Assisted Living.

Guests and Residents of Independent Living, Skilled Nursing, Assisted Living, and Rehab are permitted and visit the bistro at this time. We continue to follow all CDC and NJ DOH recommendations and guidelines.

Please remember, we are continually attempting to reduce the risk of exposure to our residents, their guests and our staff members.

If you know you have been exposed to an individual with COVID, please do not visit the community.

If you are visiting a resident who has COVID please wear a mask when you enter and exit the community (you are considered exposed). Please do not visit any other resident or area of the Community - you were exposed and could be carrying the virus.

The updated COVID booster is now available at Lions Gate. If you have questions regarding the COVID booster, please contact Tymika Hicks, Wellness Nurse at [856.679.2285](tel:856.679.2285) or thicks@lionsgateccrc.org

Inspiring Wellness!
