

October 20, 2025

Dear Lions Gate Community Members:

We hope you had a nice weekend!

We just learned that 1 Nursing Staff Member has tested positive for COVID-19.

Guests and Residents of Independent Living, Skilled Nursing, Assisted Living, and Rehab **are** permitted to visit the bistro at this time. We continue to follow all CDC and NJ DOH recommendations and guidelines.

Please remember, we are continually attempting to reduce the risk of exposure to our residents, their guests and our staff members.

If you know you have been exposed to an individual with COVID, please do not visit the community.

If you are visiting a resident who has COVID please wear a mask when you enter and exit the community (you are considered exposed). Please do not visit any other resident or area of the Community – you were exposed and could be carrying the virus.

The updated COVID booster is now available at Lions Gate. If you have questions regarding the COVID booster, please contact Tymika Hicks, Wellness Nurse at 856.679.2285 or thicks@lionsgateccrc.org

Inspiring Wellness!

Please see below updated COVID statistics:

● Current # COVID positive today	0
